## Instruction Manual

### Creeper

Art. 3988

EN

max.  
**180 kg**

**SAFETY and GENERAL INFORMATION**

For your safety, read, understand, and follow the information provided with and on this roller creeper. The owner and operator shall have an understanding of this product and safe operating procedures before attempting to use. The owner and operator shall be aware that use of this product may require special skills and knowledge. Make certain that the operator thoroughly understands the inherent dangers associated with the use and misuse of the product. If any doubt exists as to the safe and proper use of this product, remove from service immediately.

**Inspect before each use.** Do not use if there are broken, bent, cracked or damaged parts (including labels). Any creeper that appears damaged in any way, or operates abnormally shall be removed from service immediately. If the creeper has been subjected to a shock load (a load dropped suddenly, unexpectedly upon it), immediately discontinue use until it has been inspected by KRAFTWERK authorized service center. It is recommended that an annual inspection be done by qualified personnel. Labels and Operator’s Manuals are available from manufacturer.

## WARNING

- Read, understand, and follow all printed materials provided with and on this product before use.
- Do not exceed rated capacity! Rated capacity is: 180 kg (includes person, tools, equipment, personal items).
- Sit down gently! Avoid shock loads caused by jumping or falling onto creeper.
- Do not stand on creeper.
- Do not get the creeper wet or use in damp or wet locations or areas where there is condensation.
- Keep out of the reach of children! This device is not appropriate for children's use.
- Use on smooth, level surfaces only.

## PREPARATION

---

Before beginning assembly of product, make sure all parts are present. Compare parts with package contents list and Figure 1 illustration. If any part is missing or damaged, do not attempt to assemble, install or operate the product. Contact customer service for replacement parts.

Dimensions: 1135 x 510 x 185 mm

## ASSEMBLY INSTRUCTIONS (Refer to Figure 1)

---

1. Use a suitable screwdriver to attach the head cushion to head frame. Hand tighten with screwdriver.
2. Use a 5 mm hex-key to attach the casters to the rear frame. Insert the threaded fasteners from above, the casters from below (as seen in Fig. 1), then hand tighten with hex key.

## CARE AND MAINTENANCE

---

### MAINTENANCE

Little maintenance is required of this device. Wipe clean as needed. Use mild upholstery cleaner (not caustic) to clean seat as needed.

**Never** add lubricant to casters!

### WARRANTY

We do not take responsibility for any damage caused by misuse or any use that is not in compliance with the safety standards described herein.

### CUSTOMER SERVICES

Contact your local importer of your specialized dealer to obtain address of our service department.
